I hope  
you find a  
good guy  
soon, too.

Thank  
you, big  
sister.

Call me  
when you get  
back from  
your trip!

like  
Phil

Well, it's  
better than  
getting married  
late...

to get  
married  
at 10!

Sally  
sure has  
courage...

I know  
I'm an old-  
maid!

I can  
hear you  
perfectly!

I was so busy  
I didn't have  
time to date

Since mother  
died 10 years

you guys

We're

Good

Just like you

Finally!

This is  
a letter to  
MacPherson!

MacPherson is

all real estate

It's a

I am employed

you are not.

I'm sorry for  
the brevity of this

Who  
might you be?

Because it  
seems that you hurt  
my subordinates.

Yes.

So you're trying  
to protect the

Oh, the

You're  
wondering  
about me?

What do you want me to do?

Betty was near tears.

This will be the company's loss!

Even though we have a mountain of work...

Betty...

Well if there isn't anything else then I will be going

Is there something?

that sexual

Why is someone

That's

I thought he

Until, just recently I was looking after my sisters.

This year I thought I would take a vacation and relax.

That won't be any different than before.

I can't believe he asked me to help.

Romance never comes my way.

Why don't you get a babysitter?

Your husband should be able to afford it.

If you don't take them then we can't go and play without worried!

Don't be like that.

Wait a moment

Dadonah.

Why won't you take care of the children?

Why are you suddenly being so mean?

I can't look for a babysitter this late!

Even though you're free this weekend!

Wait a moment please, Mr. Williams!

My great grandfather built this house while his gold mine was in good condition.

Please come inside.

I didn't know it was going to be such a big house!

There is no way I can take care of it by myself!

My mother did it.

Suddenly  
I feel sick.

What's  
wrong?

Yes, I'll  
show you to  
your room

Cadly

A painting

He looks  
just like  
Ben

his looks

That's this

Haven't there  
been some  
mistake?

I'm not a

Phil I don't really matter to you at all, right?

People's relationships are very important

Robby, there's no one in the world that doesn't matter

Much more than you think even

Dad doesn't care so long as I'm quiet

So it's like that, is it?

Hehehe...

Ben is always thinking seriously about what to do for you

That's not true

Do you like Gred?

What, what?

He gets too serious and doesn't have energy left to show you

Don't make a mistake!

I always thought you had a crush on him!

You're kidding?

What?

Share the fun with me next time.

You have to promise not to tease them.

Ben.

The bandage comes off my eyes 3 days later.

No matter how you look at it, it's disadvantageous.

What on earth are you thinking?

What happened, Ben?

Why are you suddenly saying this?

The trial to determine who has parental rights for Rabbie is on Thursday.

My only hope is to get a wife.

Plus, I have no wife.

The judge wouldn't make a blind person Rabbie's guardian.

Please,  
Phil

I'll find  
a way to  
compensate  
you, so...

I'll provide  
financial support  
afterwards

It can  
be in  
some  
only

Compensate P

You can't get married when there's no love!

I don't want you to do something like that for my sake!

That's even worse, Dad.

This is a strategy.

Phil, please calm down!

Runaway.

Let go of  
Robbly!

What are  
you people  
doing?

This  
is my  
son.

You have  
nothing to  
do with this.

My  
mother is  
dead!!

You're  
not my  
mother!

Th...This  
person is  
Robbly's  
mother?

Why are you having a hard time with one child?

What is this last doing?

We'll remember this!

We'll see you for that!

E. Edoe.

So judge,  
as I've been  
saying.

Bert wants to  
take Robby back  
so he's lying!

It's a false  
accusation that  
we've been using all  
of Robert's child  
support!

We were  
just investing the  
money for Robert's  
future!

My husband  
is an investment  
counselor.

I think that  
Bert's lifestyle is  
a bigger problem  
here!

ええっ  
WHAT?

Bon is the most reliable and responsible man that I know.

And I think that Robby can become happy with us.

So this case is closed!

Congratulations Wilderman family.

I agree with you.

and  
feeling  
sad...

He's  
always  
watching  
me.

but tried  
underneath  
it all.

He's overbearing  
arrogant  
short-tempered.

I've  
been  
in love with  
him.

What  
should I  
do?

So now what  
should I do?

I finally  
realized it...

*Congratulations!*

What should  
I do if I fall  
more in love?

I got the prize  
before winning  
the race.

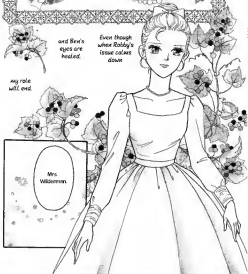

We didn't  
marry for love.

and Rex's  
eyes are  
healed.

Even though  
when Robby's  
issue calms  
down.

My role  
will end.

Mrs.  
Wilkinson

I'll go check  
how Rabby's  
doing.

Why?  
It's an  
important  
matter.

You don't have  
to force the mood  
so much.

We're  
husband  
and wife  
now.

But someone  
needs to look  
after him.

It's not like  
you married  
him.

Listen,  
Rabby  
alone.

Go be with  
Rabby for as  
long as you  
want!

Fine, go!

It would be better if he just left me alone.

Rather than forcing himself to love me.

It's such a terrible place - I ran away but...

I made her read

I don't want it to be like that

I can tell he's forcing it

He's pushing too hard

Ben's not here

Su... Su... um...!

What are  
you saying?  
You just got  
here.

Su... well.  
Good night!

What  
are you so  
afraid of?

Even if you're  
older, it doesn't  
change the fact  
that you're a  
woman.

That?

Good!

~~~~~  
Tears

It's too little!

It's not  
Ben's  
fault

I  
know

So...  
Sorry

I didn't mean  
to make you  
cry

Come  
here.

When he  
knows the  
truth.

So what  
would happen if  
I told him now?

I won't  
have a chance  
with him any-  
more

It's my  
fault for not  
correcting him  
about my age

It's  
because  
he can't  
not

Rounded  
forehead. Lots  
of freckles.

I almost hate  
how normal  
and average  
looking I am.

I'm not a  
woman that  
suits Ken.

I know  
perfectly  
well that...

I want to  
run away  
from here.

Before his  
eyes meet.

and Ken is  
disappointed.

Before my  
real self is  
exposed.

Good morning Phil

You slept into today

For 5 days in Katarina! Isn't that amazing?

I'm going fishing with Harry right now,

You too Rabbit, it's weird for you to be up so early.

God said it was okay!

Even though it's Sunday

On Sunday all the servants have the day off and no one's here.

Ben and I are really awkward right now.

What should I do?

Leaves me  
alone

I can get to  
my room by  
myself.

Tomorrow  
everything  
will end

Today's  
the last  
day I won't  
be able  
to see

That's  
true.

Tomorrow  
everything  
will end.

I'm a  
temporary wife  
used. Ben can  
see.

Tomorrow  
I'll leave  
this place

Isn't  
it  
time  
for  
your  
eye  
drops?

Ah

What  
are you  
doing?

Sure!

Yes!

Yes!

I am your  
husband

No

No

I just didn't  
know...

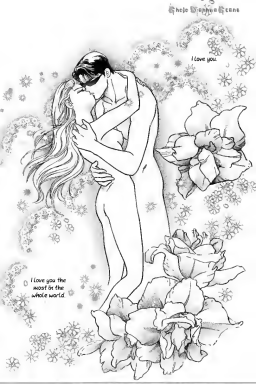

would  
be this sweet  
and kind

That your  
scent and  
your breath  
on me...

I love you.

I love you the  
most in the  
whole world.

See f

What?

I'm  
sorry  
Prin.

I didn't  
mean  
this...

I'll think of a  
compensation  
for this.

I'll definitely  
do something  
for...

I didn't  
think that  
at your  
age...

Umm...

It would  
be your  
first time.

That was  
my only  
desire...

So that  
means  
that you

don't  
love  
me

Compensation?

He said  
compensa-  
tion?

Unforgivable!!

Prin?

My white  
body was in a  
state of bliss

Until just a  
moment ago I  
was drunk on  
your touch

This is  
unforgivable!!

You took my  
beautiful dress and  
trampled it with your  
scheming heart!

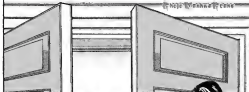

I was an idiot  
for falling in  
love with you!

I've got to leave this house.

Before he sees me.

During that  
time I'll go  
far away

If I erase my file  
he won't be able to  
find where I am so  
quickly

Even in  
the unlikely  
case that Ben  
comes after  
me...

Deleted

Good bye  
Robby

Good bye

We'll  
never  
meet  
again

Ben...

Trying to enter  
your footsteps  
like a witch,

you do  
some crazy  
things.

You certainly  
tricked me.

I was  
surprised  
that you're...

so  
young and  
beautiful.

Why did  
you keep  
quiet about  
it?

See...?

the same  
perform to her

Phil,

you  
always  
use...

and  
everyday  
was really  
hard

And then I  
would feel  
bad and  
worry.

for my little  
sister and like  
you and make  
fun of you

Because  
of that I  
would  
mislike  
you.

so you...

Don't...

It would be  
wonder to...

Because,  
you see...

fall in love with  
a grandmother.

No matter what  
you looked like...

I loved  
you Phil.

You  
know,  
L.

Ben.

L.

for those  
words.

I was  
waiting.

I was  
waiting.

If love is  
told there.

All else is the light  
of eternal love.

I could see...
